THE HBO ORIGINAL MOVIE / APRIL THE INVESTIGATION INSIDE A TERRORIST BOMBING

In 1974, two terrorist bombs claimed 21 lives in Birmingham, England. Six Irishmen were arrested for the bombing, tried and jailed for life. But one TV reporter doubted their guilt and began his own investigation — and eventually discovered the identities of the true culprits. This controversial film tells the real-life story of six innocent men who are today serving life terms — and of the British authorities who deny the truth while the real killers live free. 2:00, April 22, 25, 30
